PIVOT SCREEN

An Appreciation *of Living Space*

SINGLE DOOR

The IDA Interior Screening System features elegant slim lines to create a light and airy interior environment.

With a choice of hinged single and double doors, as well as pivot and sliding options to accompany the stylish fixed glazed screen, this flexible and versatile system provides almost limitless design possibilities.

The system can be designed to divide or delineate both residential and commercial spaces of any shape and size, while at the same time providing an effective acoustic barrier.

Options also extend to include visible or invisible hinges or sliding mechanisms, enabling

the systems to be completely tailored to meet virtually any design style.

◆ *The elegant interior screening system combines privacy with an air of light and space*
